on January 18, 2022)  
(Patron Prior to Substitute--Senator Petersen)

*A BILL to amend and reenact § 29.1-521 of the Code of Virginia, relating to hunting on Sunday.*

Be it enacted by the General Assembly of Virginia:

1. That § 29.1-521 of the Code of Virginia is amended and reenacted as follows:

§ 29.1-521. Unlawful to hunt, trap, possess, sell, or transport wild birds and wild animals except as permitted; exceptive penalty.

A. The following is unlawful:

1. To hunt or kill *on Sunday* (i) any wild bird or wild animal, including any nuisance species, with a gun, firearm, or other weapon, *within 200 yards of a place of worship or any accessory structure thereof* or ~~to hunt or kill~~ (ii) any deer or bear with a gun, firearm, or other weapon with the aid or assistance of dogs, ~~on Sunday. The provision of this subdivision that prohibits hunting or killing of any wild bird or wild animal, including nuisance species, on Sunday shall not apply to (i) any person who hunts or kills raccoons; (ii) any person who hunts or kills birds in the family Rallidae or waterfowl, subject to geographic limitations established by the Director and except within 200 yards of a place of worship or any accessory structure thereof; (iii) any landowner or member of his family or any person with written permission from the landowner who hunts or kills a wild bird or wild animal, including any nuisance species, on the landowner's property, except within 200 yards of a place of worship or any accessory structure thereof. However, a person lawfully carrying a gun, firearm, or other weapon on Sunday in an area that could be used for hunting shall not be presumed to be hunting on Sunday, absent evidence to the contrary.~~

2. To destroy or harass the nest, eggs, dens, or young of any wild bird or wild animal, except nuisance species, at any time without a permit as required by law.

3. To hunt or attempt to kill or trap any species of wild bird or wild animal after having obtained the daily bag or season limit during such day or season. However, any properly licensed person, or a person exempt from having to obtain a license, who has obtained such daily bag or season limit while hunting may assist others who are hunting game by calling game, retrieving game, handling dogs, or conducting drives if the weapon in his possession is an unloaded firearm, a bow without a nocked arrow, an unloaded slingbow, an unloaded arrowgun, or an unloaded crossbow. Any properly licensed person, or person exempt from having to obtain a license, who has obtained such season limit prior to commencement of the hunt may assist others who are hunting game by calling game, retrieving game, handling dogs, or conducting drives, provided he does not have a bow, slingbow, arrowgun, or crossbow in his possession.

4. To knowingly occupy any baited blind or other baited place for the purpose of taking or attempting to take any wild bird or wild animal or to put out bait or salt for any wild bird or wild animal for the purpose of taking or killing it. There shall be a rebuttable presumption that a person charged with violating this subdivision knows that he is occupying a baited blind or other baited place for the purpose of taking or attempting to take any wild bird or wild animal. However, this shall not apply to baiting nuisance species of animals and birds, or to baiting traps for the purpose of taking fur-bearing animals that may be lawfully trapped.

5. To kill or capture any wild bird or wild animal adjacent to any area while a field or forest fire is in progress.

6. To shoot or attempt to take any wild bird or wild animal from an automobile or other vehicle, except (i) as provided **29.1-521.3** or (ii) for the killing of nuisance species as defined in § **29.1-100** on private property by the owner of such or his designee from a stationary automobile or other stationary vehicle.

7. To set a trap of any kind on the lands or waters of another without attaching to the trap: (i) the name and address of the trapper; or (ii) an identification number issued by the Department.

8. To set a trap where it would be likely to injure persons, dogs, stock, or fowl.

9. To fail to visit all traps once each day and remove all animals caught, and immediately report to the landowner as to dogs, or fowl that are caught and the date. However, the Director or his designee may authorize employees of federal, local government agencies, and persons holding a valid Commercial Nuisance Animal Permit issued by the Department to use body-gripping traps that are completely submerged at least once every 72 hours, and the Board may adopt regulations permitting trappers to visit traps less frequently under specified conditions. The Board shall adopt regulations permitting trappers to use remote trap-checking technology to check traps under specified conditions.

10. To hunt, trap, take, capture, kill, attempt to take, capture, or kill, possess, deliver for transportation, transport, cause to be transported, by any means whatever, receive for transportation or export, or import, at any time or in any manner, any wild bird or wild animal or the carcass or any part thereof, except as specifically permitted by law and only by the manner or means specified within the numbers stated. However, the provisions of this section shall not be construed to prohibit the (i) use or transport of legally taken turkey carcasses, or portions thereof, for the purposes of making or selling turkey callers; (ii) the manufacture or sale of implements, including tools or utensils made from legally harvested deer skeletal parts, including antlers; (iii) the possession of shed antlers; or (iv) the possession, manufacture, or sale of other parts or implements authorized by regulations adopted by the Board.

11. To offer for sale, sell, offer to purchase, or purchase, at any time or in any manner, any wild bird or wild animal or carcass or any part thereof, except as specifically permitted by law, including subsection D of § **29.1-553**. However, a nonprofit organization exempt from taxation under § 501(c)(3) of the Internal Revenue Code that is (i) organized to provide for wild game as food to the hungry and (ii) authorized by the Department to possess, transport, and distribute donated or unclaimed meat to the hungry may pay a processing fee in order to obtain such meat. Such fee shall not exceed the actual cost for processing the meat. In addition, any nonprofit organization exempt from taxation under § 501(c)(3) of the Internal Revenue Code that is (a) organized to support wildlife habitat conservation and (b) approved by the Department shall be allowed to possess wildlife mounts that have undergone the taxidermy process for sale in conjunction with fundraising activities. A violation of this subdivision shall be punishable as provided in § **29.1-553**.

12. To offer for sale, sell, offer to purchase, or purchase a hunt guaranteeing the killing of a deer, bear, or wild turkey. A violation of this subdivision shall prevent a landowner from leasing land for hunting. A violation of this subdivision shall be punishable as provided in § **29.1-553**.

B. Notwithstanding any other provision of this article, any American Indian who produces verification that he is an enrolled member of a tribe recognized by the Commonwealth, another state, or the U.S. government, may possess, offer for sale, or offer to purchase to another American Indian, or offer to purchase or purchase from another American Indian, parts of legally obtained trophies of hunting, including the skulls, horns, and parts of the skulls of bears, and the skulls, horns, and parts of the skulls of hunting bears, and game animals, except bear.
